Saturday's snow flurries form a misty backdrop for these photos taken at the Town Landing. The marsh flats are topped by salty icing and the shore appears lined by sheets of broken glass as the ice sheet is worked over by the tidal action. Our two Mattapoisett resident swans appeared. Swimming down the harbor, leading a huge flock of geese, this pair approached the mouth of the river and posed very obligingly for the camera. In this cold, cruel world of January, swans must be

Ernestina Saga Continues

Much in the news lately is the old Portuguese packet and former Grand Banks Fishing Schooner Ernestina. Tossed by the huge seas of a hurricane, she was deserted by some of her trainees and now is holed up for the winter in Florida. Not a very unfortunate place to be stranded for the winter. These photos are from our library- she was being fitted out for the '89 season.

New Computer System for Assessors

MATTAPOISETT SELECTMEN'S MEETING
JANUARY 28, 1992-by BRIAN KEENE

The Board of Assessors presented selectmen with the details of the computer system they will soon be acquiring, and selectmen approved what they called an "excellent deal" on the new package. The system will revolve around a 100% IBM compatible Microsmart Computer with 200 megabyte hard disc in addition to 3.5" and 5.25" floppy disc drives. The $4,453 cost of the hardware and software package came in well below initial estimates, and the State Department of Revenue concurs that this system will admirably serve the needs of the town.

Although the assessors will not initially need the full capacity of the equipment, board member Michael L. O'Brien explained to the selectmen that the system was selected with future needs in mind. Eventually the system will be used in other areas, such as the town treasurer and tax collector.

Mr. O'Brien said that the next step, once the computer is on line, will be the "enormous task of plugging in data", which is currently kept on file cards. The assessors will consider hiring a temporary full-time person to input initial data, and then solicit bids for further data processing services.

In other business selectmen:

APPOINTED Girard F. Oliva as an associate member of the Board of Appeals. Mr. Oliva, an O.R.R. Social Studies teacher and a resident of Mattapoisett since 1969, was considered a welcome addition to the board which meets twice monthly and has been known to work late into the night.

Industrial Drive is a town accepted way and can be extended and improved at the developer's expense. This information is necessary to the negotiation of the sale of an 800 ft. x 1361.25 ft. parcel of land fronting the southerly side of Industrial Drive. Selectmen informed Mr. McIntire that Industrial Drive became an accepted town way on April 12, 1972 and the land "constitutes frontage on a street or public way under the applicable provisions of the Zoning By-Law of the town". The road may be extended or improved at the developer's expense upon approval by the selectmen of final plans for such an extension. It was further noted that "in general, the selectmen support extension and improvement of Industrial Drive, and will cooperate with the owner or developer and their agents in seeing that it is done".

RECEIVED A LETTER from Mr. Kenneth Schwartz, President of Universal Industries, offering assistance in printing copies of the Town Report or the Town Meeting Warrant. The plant has excellent printing capabilities and the selectmen were pleased with the offer. They directed Executive Secretary Carol Adams to contact Mr. Schwartz to decide how the town can

Your Key to a Lower Cost Mortgage

The unique NBIS FAST-PAY Mortgage can help you build equity in your home faster, save you thousands of dollars in interest, and let you pay off your mortgage years sooner.

If you think that all mortgages are pretty much alike... you should really learn more about the unique FAST-PAY Mortgage from NBIS. With FAST-PAY you can save thousands of dollars in interest and help build equity in your home a lot faster, at virtually the same monthly cost!

Here's how. Instead of making one monthly payment 12 times a year, you make half your monthly payment every two weeks... or 26 times a year. That extra payment each year really adds up. It actually reduces the principal faster... saving you thousands of dollars in interest, not to mention years of mortgage payments.

A big advantage of FAST-PAY is that your mortgage payments are made automatically through your NBIS Now Account. This means you'll never have to remember to write your check every two weeks. NBIS does it for you... all you have to do is to maintain the balance in your account.

So... before you make a mortgage move, find out about the NBIS FAST-PAY Mortgage — it's your key to a lower mortgage cost.

RECEIVED A LETTER from Michael Lever, Director of Support Services for the United States Post Office, concerning an inquiry made by selectmen about land for the proposed Southeast Mail Processing Center. The United States Postal Service is seeking land to build the center, "located within three miles north or south of Route 195 from Route 140 in New Bedford to the junction of Interstates 495 and 195. Land parcels ranging in size from 25 to 40 buildable acres will be considered for purchase. A suitable one story commercial structure of approximately 275,000 square feet on a suitably sized lot will also be considered". Interested parties should respond with all pertinent information to:

WERE ADDRESSED by Charles Carmo of the New Bedford Minority Action Committee over concerns that many jobs stemming from increased construction projects in the area are being lost to out of town workers. Mr. Carmo, whose committee proposes that 50% of workers on local projects come from the local area, stated that there will be 2.5 billion dollars worth of construction in the area over the next two years and that he has a plan to keep the money in the area. Selectmen expressed interest and asked to see the plan in writing.

Mattapoisett Town Election

APRIL 7, 1992

Two additional incumbents have announced they will not seek re-election. M.C. Rosenfield, member of the Old Rochester Regional District School Committee, and Donald H. Finley, Library Trustee, have joined William H. Matthews, 20-year veteran of the Planning Board, in informing Town Clerk Lois K. Ennis that they will not run again this year.

Barry W. Perkins, a member of the Cable Advisory Committee, has taken out nomination papers for the five-year term on the Planning Board. Kathleen K. Wood

Congregational Church

MATTAPOISETT

Dr. Jack Kevorkian has had a lot of notoriety during the past few years because of his "suicide machine". He has once again stirred a debate that has always been ready to surface, needing only a bold and articulate spokesperson. A passionate argument is bound to be started whenever someone suggests that we need to ration health care. Are there times when well-meaning and loving persons need to consider consenting to or aiding in the death of someone who is in deep pain, and shows no signs of being

Editorial, DCJ

The Congressional politicians leaped to their feet repeatedly to shower President Bush with applause during his State of the Union address as he appealed to their patriotism to put aside politics in order to take action to end the United States recession. President Bush can expect little or nothing from this resounding round of sound. The chances are good that no one there was listening but instead was thinking up their own reply. Everything the President asked for has been buried for years in the morass that is congress. As he noted, even the process of aging might well be arrested in Congress.

Meanwhile: The Japanese are carving out a second empire from the heartland of the United States. Starting in the 1980s the Japanese Industrial Complex (which is so tied to the Japanese government that no westerner can distinguish the difference) has invested 26.6 million dollars in Ohio, Indiana, Michigan, Illinois, Kentucky and Tennessee. Look at the map of the United States. You will see that it carves out an integrated chunk of our mid-section. The manufacturing activity is in auto assembly, auto parts, steel, tire and rubber. The recent trip to Japan by President Bush accompanied by all of the overpaid chief executives of our auto industry is a Japanese joke. Japan has no intention of importing our product in any significant number while our own auto industry is buying Japanese cars to sell in competition with Japanese cars. Even if the U.S. market were closed to Japan, would it matter to them? For a decade they have been building a U.S. auto industry within the U.S. It is a "trojan horse" of immense proportions. As the Japanese have eclipsed industry after industry in the United States, they have filled the void with a Japanese product made here on our soil. We could now buy "Made in the U.S.A." labeled products exclusively and the profits would be sent to

the corporate office in Tokyo. A short time ago a Japanese government official made the mistake of speaking a truth when he said Americans were dumb and lazy. He was forced to retract in spite of all the evidence. As Americans, we are not well informed and that's dumb. Those who are informed do nothing and that is lazy. For years, to gain the foothold in the U.S. and build their new empire, they have spent money lavishly to hire highly placed U.S. government officials to act as Japanese lobbyists to get special treatment for Japan. Seventy-six former senior U.S. officials, members of congress and senior congressional staff members became agents for foreign nations between 1981 and 1986 (according to the GAO (General accounting Office). (This list was not complete; there were many others.) The people who sold out as foreign agents were high level, experienced in the organization, structure and decision making process and the molding of U.S. policy. They were highly paid by foreign powers because they can and do exert tremendous influence within our system.

The Japanese competition has resulted in the loss of industry after industry in the U.S. Subsidized by their government, they could use the 10% rule in bidding. No mat-

are targeted.

President Bush, in his State of the Union address, never mentioned the damage done to industry by U.S. turncoat foreign agents but it is hard to see how he could have overlooked this influence that is plundering our nation and closing our plants. So many of our top government officials feel no qualms about leaving their posts to hire out to the highest bidder. The first measure of business for congress should be to make this practice a crime. If our U.S. economy is to turn around, it is imperative that this influence peddling be made illegal.

In a single year (1984) the Japanese spent 14.3 million dollars on lobbying expenses in the United States. They got their money's worth.

When the Japanese manufacturers in the U.S.A. begin to produce more than the U.S. market can absorb, THEN, presumably, the Japanese home market will open to these Japanese products made in the U.S.A.

It won't help the U.S. worker. Remember this - the Japanese only reluctantly hire Americans because they are dumb and lazy.

We sure will have proven this statement because we keep electing the same people to run the country and pay no attention to how they vote. We, also, have let ourselves be conditioned to think that the Japanese product is superior and buy it without regard to the loss that results to our economy.

The United States has gone overboard to be generous with the Japanese. Since the end of World War II, U.S. military forces have defended Japan freeing them of the expenditure of billions of dollars to use in the economic/industrial sector. After nearly 50 years of this advantage the Japanese are the richest superpower on earth. The wealth in their banks has no equal. It is time that

Japan be made to trade fair. They will never volunteer to give up their advantage.

Until the United States uses methods such as quotas and tariffs to encourage the Japanese to adjust the game so that the United States is not playing with a stacked deck, we will continue to lose industry and land to the Japanese. If free enterprise, free trade, foreign ownership of business, industry and land are desirable, let's have it on both sides of the Atlantic and the Pacific. Until then the United States lays out the WELCOME doormat emblazoned with "Tread on Me".

Meanwhile, the American public climbs into the Toyotas, Nissans, Hondas, Subarus, Mitsubishis, Lexus, Suzukis, etc. and etc. and drives to the unemployment line. Who is dumb? Not the Japanese.

ORR Budget on Bay 8

The Old Rochester Regional School Committee invites residents of Marion, Mattapoisett and Rochester to watch "Sign Post" on the Bay 8 Channel at 8:00 p.m. on February 4th and at 7:30 p.m. on February 5th.

This program features an interview with the members of the Old Rochester Regional Budget Subcommittee, Drew Jeffrey, Alan Bare, Clara Morgan and Joseph Napoli, and is the first in a series of three telecasts devoted to explanation of the school's upcoming budget.

The second segment of this series will be aired on the Bay 8 Channel at 7:00 p.m. on February 11th and February 12th. The series is moderated by Camie Ford.

From Old Hammondtown School

The recent "ADOPT A PET" campaign for the animals of the Buttonwood Park Zoo at Old Hammondtown School was a hit. The project, headed by the Resource Room students, raised $400. The entire student body, parents and staff contributed to the success of the project. The school is now the proud adoptive parent of a Fallow deer. The students presented a check to Ken Pacheco,

O.H. and Radon Awareness

OHS STUDENTS RELEASE RADON STUDY URGE COMMUNITY TESTING

L.I.F.T. students at Old Hammondtown School conducted a radon study and tested a home in Mattapoisett. The group used maps borrowed from the water and health departments which identified bedrock in the area as granite. A house located where bedrock was near the surface was chosen for testing. Permission was granted by the owner. Four detectors were placed in the cellar. After three days the detectors were collected and brought back to school where the calculations were made. The results of three detectors were within the U.S. Environmental Protection agency's recommended guideline of four picocuries per liter of air. The fourth result was more than four times the guideline.

The American Lung Association of Southeastern Massachusetts is conducting a major campaign to raise radon awareness in its area

and to encourage residents to test their homes. Within Plymouth, Bristol, and Barnstable Counties the campaign covers greater than twenty-three communities, but does not include Mattapoisett. After completing their study, students recommend extending the campaign and urge Mattapoisett citizens to test.

Radon is a radioactive gas that occurs naturally in the earth's soil and rock, such as the granite in the Mattapoisett area. It is odorless, tasteless, and invisible. But, when it accumulates in a house it can be fatal.

Radon finds its way into a home through cracks in foundation floors and/or walls, and through openings and holes around pumps, drains, and pipes. Radon levels can vary from house to house within the same neighborhood. Even your next door neighbor could have a different level.

Radon is responsible for about as many deaths a year as drunk driving. It is the second leading cause of lung cancer after smoking. It is the leading cause among non-smokers. If you combine smoking and radon exposure it is even more dangerous to your health.

It is estimated that one out of five homes in southeastern Massachusetts has levels above the acceptable limit, but the EPA says that no level is absolutely safe.

of Health, and the L.I.F.T. Program are co-sponsoring a testing campaign in Mattapoisett. The Board of Health office located in the Town Hall will have displays of free information for citizens and EPA approved radon home test kits specially priced at only $9.95. Studies have shown that 85 percent of the population is aware of the radon health risks, but only 5 percent of homeowners have tested. "Ignoring a potential problem doesn't eliminate it, and in the case of radon, why take chances with your family's health", says Cesar Alemain, Executive Director of the Lung Association.

"Most people who haven't tested for radon believe testing is complicated, costly, and difficult to conduct. This is a gross misconception. The kit is not expensive and is simple to use. Just place the pouch in the basement for 48 hours, mail it back to the testing laboratory and your results will be returned within two weeks. That's all there is to it".

Radon is a preventable health hazard. To test your home stop by the Board of Health office during February and pick up a radon test kit. For more information call the American Lung Association at 947-7204.

OHS JAZZ BAND
TO COMPETE AT UNH

The Old Hammondtown Jazz Band will be competing at the University of New Hampshire on Saturday, March 14th. An invitation was put forth by Mr. David Seiler, head of Jazz Studies at U.N.H. Mr. Seiler was a judge at the M.I.C.A. Festival (Massachusetts Instrumental Conductors Association) last year where the Old Hammondtown Jazz Band received a gold medal. The band, under the direction of Mr. Stanley Ellis, will be competing against Jr. High groups from Connecticut, New Hampshire and Massachusetts. If they place high in the standings they will be asked to perform that evening as a beginning act for "Jazz Legend" Phil Woods.

Later on in March the O.H.S. Jazz Band will be performing for the All State Conference at The Boston Vista Hotel in Waltham. A personal invitation was extended to Mr. Ellis by Ms. Emilee Blanchette, a committee member of the conference who stated that they were so impressed by the performance of the Jazz Band at last year's conference that they would love to have them back again this year. Wish them Luck!

Ice Skating Lessons, Marion

The Marion Recreation Committee is offering ice skating lessons at the Tabor Rink from 12 to 12:30 p.m. Sunday afternoons. These lessons will be taught by professionals Debbie Garnett and Susie Maxwell. Students must be able to skate forward on their own and must be in first grade or above. Classes will be divided into groups according to age and ability. There will be four sessions and the first one will be held on February 9th. There will be limited enrollment and there will be pre-registration at the Town Hall. Anyone who has not registered by noon on February 7th may sign up on the 9th at 11:45 at the rink if space is available.

Rochester Senior Citizens

The first meeting of 1992 of the Rochester Senior Citizens' Club was held on January 14th at 1:30 p.m. at the Rochester Woman's Club. The meeting was opened with a prayer by acting secretary Evelyn Benner. Before the meeting began Mr. Verdi and Mr. Wood gave a talk on Annuities, Tax Free Investments and Long Term Nursing Facilities.

Josephine Rogers, hospitality chairman, reported on the number of get well, sympathy and birthday cards she had sent out. The secretary and treasurer's reports were accepted as read. The roll call found 34 members present.

It was noted that everyone enjoyed the Christmas Party that was held at the Independence Harbor. In lieu of a gift exchange, money was donated to the Salvation Army, Quarters for Christmas and The Market Ministries.

Suites and Sweets

DATE CHANGE - CONCERT FEB. 23

In celebration of Valentine's Day, the Marion Art Center will present an afternoon of "Suites and Sweets" on Sunday, February 23rd, at 4:00 p.m. This event will feature a duet piano concert by Steven and Kathleen Massoud in a cabaret setting with a selection of sweets and other refreshments served at the tables.

The Massouds have performed as a piano duet team since their marriage in 1980. Steven received his musical training in piano performance at Boston University and the New England Conservatory of Music. Since 1983 he has been Music Director at St. James Church in New Bedford and is on the faculties of St. George's School in Newport and the Portsmouth Abbey.

Kathleen received her musical training in piano performance at Hartt College of Music in Hartford and Longy School of Music in Cambridge. She is currently the President of the Massachusetts Music Teachers' Association/Southeast Chapter.

Stephanie Anderson in the Triple Jump.

In dual meet competition, the Boys' Team beat Diman Voke by a score of 52 to 34, and lost one meet to Dighton-Rehoboth by the same score. Jason Kirkwood and Kevin Thompson continued to go one-two in the hurdles. Kirkwood won the 200 and Thompson was second in the High Jump. Heath Harriman won the Shot Put while teammate Josh Gunschel was third. Josh Wood won the Mile and 2 Mile, Andy Morse and Erik Rider placed in the distance events. Chris Prefontaine scored in the sprints and Donald Cottrill in the middle distance.

In the Girls' dual meets, ORR won both meets by beating Dighton-Rehoboth 69 to 15, and Diman Voke 74 to 10. Sarah Pond continued to remain unbeaten in the Middle Distances with teammate Heather Stroud controlling the long distance races. Jocelyn Periera won the High Jump with Pond and Stephanie Anderson behind her. Tiffany Jawor and Shannon Nye were, again, one-two in the Shot Put. Sue Voit won the Mile. Sheryl Briggs won the Hurdles with Joanne Amoruso second, and Sarah Coggeshall third. Stephanie Anderson won the 50 and 300 while Heidi Kinney ran second in both races. Laura Cutler placed in the 1000, while Rachel Rounseville and Chrystal Walsh placed in the 600. The mile relay team of Cutler, Rounseville, Walsh, and Periera won.

Owl Prowl

It's owl prowl season again. Come and join the Lloyd Center staff in searching for these elusive night creatures. February is the best time to view these silent, night flyers due to the owl's nesting season. Learn about these fascinating birds and join the staff for breakfast at the conclusion. This owl prowl is on February 9th and runs from 3:30 to 6:30 a.m. Participants are urged to dress warmly.

Please pre-register by calling the Lloyd Center at 990-0505. The fee for this walk is $4. for members and $6. for non-members which includes breakfast following the search.

Future events hosted by the Lloyd Center include a talk on attracting birds to your feeders on February 16th, and a second owl prowl on February 23rd. For information concerning these or any other Lloyd Center events call or write the Lloyd Center at 990-0505, P.O. Box 87037, South Dartmouth, MA 02748.

Seal Watch

On February 15th the Lloyd Center will be traveling to Cuttyhunk Island to start the annual Seal Watch season. The day begins with a trip on the M/V Alert out to Cuttyhunk Island to view seals hauled out on Pease

LAS VEGAS NIGHT
SPONSORED BY STANG ALUMNI/PARENTS

The Bishop Stang alumni and parents are sponsoring a Las Vegas Night on Friday, March 6th, at the Days Inn on Hathaway Road in New Bedford. Doors will open at 7:30 p.m. and the festivities will continue until 11:30 p.m.

Bob Marinelli, a Stang alum and parent of a current student, has agreed to chair the event. Bob and Nora Marinelli have run Las vegas nights successfully as parents of Holy Family-Holy Name students. The night will feature some of the more popular games such as blackjack, roulette and horse racing. Free snacks and coffee will be served through out the evening. In addition, there will be a cash bar.

The proceeds of the event will help to underwrite Bishop Stang's financial aid to students in need. Tickets are available in advance through Bishop Stang students or the Development Office at Stang, 993-8959. All participants will be eligible for a raffle. Prizes will be awarded that evening. A Las Vegas Night meeting of the Parents' Club and the Alumni Council will be held Wednesday, February 12th, at 7:00 p.m. in the library at Bishop Stang.

Children's Films at Heritage

"Not So Fast, Songololo", "The Village of Round and Square Houses", "A Story-A Story" and "Why Mosquitoes Buzz in Peoples' Ears" are animated films based on award-winning children's books that will be shown Wednesday, February 19th, at 11:00 a.m. and 1:00 p.m. at Heritage Plantation's Round Barn Theatre.

Escape the winter chill as you travel to the warmth of Africa to enjoy the folk tales of its people. Bring your family, a blanket and a picnic lunch. The Museum will provide the beverage and dessert. The films are best for ages 5-9. All children must be accompanied by at least one adult. To register call 888-3300, extension 22. The cost is $1.00 for children and $1.50 for adults. Registration deadline is February 14th.

SPRING FLOWER SHOW BUS TRIP

Heritage Plantation will host a bus trip to the 1992 Spring Flower Show Tuesday, March 17th, from 10:30 a.m. to 5:15 p.m. Join Horticulturist Jeanie Gillis for this annual pilgrimage in celebration of Spring. Rediscovering the Americas is the theme as the Massachusetts Horticultural Society acknowledges the quincentennial. Experience a tropical rainforest, a North American forest with a cascading waterfall and a Mojave Desert

Debate: Liddy vs. Leary

AT UMASS DARTMOUTH

G. Gordon Liddy, convicted in 1973 for conspiracy in the Watergate burglary of Democratic National Committee headquarters, and Dr. Timothy Leary, convicted the same year on drug-related charges, will debate the topic of responsibility to government versus responsibility to self at 8 p.m. February 24th in the Main Auditorium at the University of Massachusetts Dartmouth.

Billed as "The State of the Mind vs The Mind of the State", the debate explores their opposing views. Liddy, according to their press biography, explains "that only by giving up some of our rights and freedoms to the state and the government can we become a truly ethical and moral society." Leary, on the other hand, believes that "the individual is sacrosanct and that he must be protected from the tyranny of the majority (i.e. the bureaucracy, the government and the agencies of law enforcement) in order to be free."

Tickets are $5. for the general public, $4. for UMass faculty and staff, and $2. for UMass Dartmouth students. Tickets will be sold at the University Box Office, 999-8598. The lecture is sponsored by the Student Senate Lecture Series. For further information telephone 999-8154.

Liddy is a Law Review graduate with a juris doctor from Fordham, who worked for the FBI and as an assistant district attorney before he joined the Nixon campaign and, later, Nixon administration. When Nixon ran for a second term Liddy became General Counsel for the committee to re-elect the President (CREEP). It was during that campaign

Flashing skates and swift puck in this action shot on a tiny pond in Falmouth Heights. This interval of sport in a winter pick up game caught our camera's eye because it is typical of the seasonal action that once was common in this area when the bogs froze and kids were free to enjoy themselves.

that he and a score of others conspired to burgle and bug the Democratic National Committee headquarters at the Watergate Complex.

Liddy was sentenced to 21 years in maximum security, and spent five years in prison--including 100 days in solitary confinement--before he was released by President Carter.

Ironically, while Liddy was an ADA, he led two raids on the headquarters of Dr. Timothy Leary, who, again according to his press bio, "influenced and informed three generations of Americans."

Leary's academic/psychedelic odyssey really began in 1959 when he was appointed to the faculty of Harvard University where he was, for three years, the director of the Harvard Psychedelic Research Project. The project was a clinical study of the effects of psychedelic drugs; as his biography notes, LSD was legal until 1966.

His bio continues, "After being dismissed from Harvard in 1963, Leary established a new research center in Millbrook, New York. It became a beacon for the leaders of the new generation (and for law enforcement agencies as well). Leary had become an underground cultural icon; in fact, it was Dr. Timothy Leary who coined the phrase, 'Turn on, Tune in, Drop out'.

"In 1970 Leary was imprisoned and charged with the possession of a half ounce of marijuana (which had, in fact, been planted in his car). He narrowly escaped from prison and later was granted political asylum in Algeria and Switzerland. He was eventually captured by DEA agents in Afghanistan and extradited back to the U.S. Leary was paroled in 1976."

In the 1980s Leary became the leader of a "futurist" movement.

Veterans' Update

VA SEEKS STUDENTS
FOR WORK STUDY PROGRAM

Veterans and dependents attending college or vocational programs either full time of 3/4 time can supplement their VA educational benefits through the VA work study program and VA will pay the higher of the federal or state minimum wage. This means that Rhode Island students will receive the $4.45 state rate per hour and Massachusetts students will receive $4.25 which is both the state and federal rate. Also, the number of hours that may be worked is determined by multiplying 25 times the number of weeks in the school term. For example, a Rhode Island VA student enrolled in a 15-week semester could earn as much as $1,668 in additional income. This income does not affect entitlement to the regular educational benefits.

Veterans and dependents can contract for the maximum entitlement or they may work any portion of the time that meets their financial needs and fits their individual study program. Jobs are available at the VA Regional Office, VA Medical Center and other locations where VA related work can be done.

An advance of up to 40 percent of the contracted hours is available as soon as the employment agreement is processed. After the advance, VA pays work study students after each 50 hours of additional work.

Veterans and dependents who wish to participate in the work study program or want additional information or assistance

Sons of Italy

The Sons of Italy in New Bedford will meet Sunday, February 9th, at 6 p.m. at St. Francis of Assisi Church Hall, Mill Street, New Bedford. The business meeting will be followed by guest speaker Lilliana Gagliardi, President of the Loggia Giovinazza in Fall River. Her topic will be Italy: Past and Present.

Concert Series at Zeiterion

The 1991-92 Greater New Bedford Concert Series (GNBCS) presents violinist Elmar Oliveira on Thursday, February 13th, at 8:00 p.m. Mr. Oliveira was the first American violinist to win the coveted Tchaikovsky Competition, and the first violinist to be awarded the Avery Fisher Prize. Mr. Oliveira accompanied by pianist Sandra Rivers and violist Sandra Robbins, will perform the following pieces: Le Clair's "Sonata in D Major, Opus 9, No. 3", Schubert's "Fantasy in C Major, D. 934, Opus 159", Martinu's "Madrigals for Violin and Viola", Ysaye's "Sonata in D minor, Op. 27, No. 3" ('Ballade'), and Ravel's "Sonata in G. Major".

Performances as aristocratic as they are

impassioned, that is the hallmark of Elma Oliveira, who has performed throughout the world with Leipzig Gewandhaus, Zurich Tonhalle, Philadelphia, Minnesota and Halle Orchestras, New York, London and Hong Kong Philharmonics, and England's Northern Sinfonia. He has toured the far east, and made a triumphant return to the Soviet Union (site of his historic Tchaikovsky Competition victory).

Mr. Oliveira was nine when he started lessons and won his first competition at 14. He made his orchestra debut that same year (1965) with the Hartford Symphony. In 1966 he was chosen by Leonard Bernstein to appear as soloist with the New York Philharmonic for a nationally televised Young People's Concert.

Tickets for Elmar Oliveira's concert are $17.00, $21,00 and $25.00; senior/student $2. discount; group rates available. Tickets are available at the Zeiterion Box Office and are also available at all Ticketmaster outlets or by calling Ticketmaster at (617) 931-2000.

The Greater New Bedford Concert Series is supported by the Massachusetts Cultural Council, a state agency, and with funds from the Council administered by the New Bedford Arts Lottery Council. The Zeiterion Theatre is also furnished in part by the Arts Lottery Councils of Acushnet, Freetown, Mattapoisett, Rochester, and Wareham, the city of New Bedford, the New England Foundation for the Arts, and the National Endowment for the Arts.

Sonnets for Sweethearts

POETRY AT ROTCH-JONES-DUFF HOUSE

"Sonnets for Sweethearts on Valentine's Day", a Valentine's Day celebration of festive refreshments and delicious love poems, will be held in the double parlors and the dining room of the Rotch-Jones-Duff House and Garden Museum at 4:00 p.m. on February 14th. The Museum is located at 396 County Street in New Bedford.

Lewis Hammond Stone, who is responsible for the organization and direction of the program, will open with some classic love poems from the works of the Brownings, Byron and others. He will be followed by area poets Leonore Banchoff, Lori Dias Mitchell, Dennis Holt, and Ada Jill Schneider who will read from their own original work.

"Sonnets for Sweethearts" will last approximately one hour. Following the performance Champagne and Valentine Delicacies will be served.

Admission is $5.00 for the general public and $4.00 for Museum members. For information and to reserve a seat please call the Museum at 997-1401.

Poetry for Black History Month

"LOOKING THROUGH AN IMMIGRANT'S EYES"

In honor of "Black History Month", this February, the Rotch-Jones-Duff House and Garden Museum at 396 County Street, New Bedford proudly presents "Looking Through an Immigrant's Eyes - Poet's Views from New Bedford".

On consecutive Sundays, February 16th and 23rd, at 2:00 p.m., prominent area poets Everett Hoagland and Caroline Beard Whit-

low will present their poetry. The program is funded by a grant from the New Bedford Arts Lottery and the Massachusetts Cultural Council.

"We are very pleased to be able to participate in Black History Month with two such fine poets", said Anne Brengle, Director of the Rotch-Jones-Duff House and Garden Museum. "What better way to look at ourselves and this area than through the eyes and words of poets.

"All of us are immigrants to America unless we derive our ancestry from the native Americans", said Mrs. Brengle, "and I couldn't think of a better way to share in the diverse cultural composite of this region than with these series of readings by these talented individuals."

Everett Hoagland is well-known to local audiences and most recently performed his poetry in memory of the musician, Bobby Greene. Mr. Hoagland is a professor of English at UMass Dartmouth and his work has been selected for the "National Anthology of Jazz Poetry" published by Indiana University.

Ms. Whitlow is a professor of English at Bristol Community College in Fall River. She has published two books of poetry.

The grant "Looking through an Immigrant's Eyes" was conceived and written by poet writer Lewis Hammond Stone. Mr. Stone will serve as host of the series.

Refreshments will be served and the readings will last approximately one hour. Admission is free, voluntary donations will be accepted to fund future poetry events. For further information please contact the Museum at 997-1401.

Saturday Youth Theatre

"AMELIA BEDELIA" & OTHER STORIES AT ZEITERION THEATRE

America's favorite housekeeper, Amelia Bedelia, continues her escapades. A friendly lion prepares for a party, and zany animals audition for the position of Time Service Operator - all at the Zeiterion Theatre on Saturday, February 15th, for two shows, 10:30 a.m. and 1:00 p.m. "AMELIA BEDELIA" and OTHER STORIES is sponsored by Citizens Bank of Massachusetts (formerly known as Fairhaven Savings Bank) as part of the theatre's Saturday Youth Theatre. All of the Saturday Youth shows open with a live organ recital on the theatre's restored Grimshaw-Gudewicz Wurlitzer Theatre Organ performed by members of the Southeastern New England Theatre Organ Society, the caretakers of the organ.

Back this year is Maximillion Productions with nine different books adapted for the stage. "Amelia Bedelia", "Dandelion", "Miss Nelson is Missing", "The King, The Mice and The Cheese", "Alligators All Around", "Ira Says Goodbye", "Mary Alice Operator Number 9". "Frog and Toad Together", "Goodnight Moon". With colorful props, costumes and sets, the actors make these books come alive, inspiring youngsters to experience the joy of reading. Maximillion Productions, founded in 1962 by Max and Peggy Traktman, has traveled throughout the United States from the state of Washington to Maine with many stops in between.

Back by popular demand, the Children's Museum of South Dartmouth has planned a

Wareham Recreation

PRE-SCHOOL VALENTINE'S PARTY

The Wareham Recreation Department will host a Special Pre-School Valentine's Day Party on Friday, February 14th, from 1:00 to 2:00 p.m. at the Memorial Town Hall Auditorium, Wareham.

Children ages 2 to 6 years of age are invited to come join in the fun. The party will include refreshments, children's games and songs, and our ever popular climb on equipment. Each child will have the opportunity to try the arts & crafts table and make a Valentine decoration or card.

Plan to wear red and meet us for a fun time on Valentine's Day.

Pre-registration is required. Call Wareham Recreation at 291-3186.
